Reimbursement for Caskets and Urns for Burial of Unclaimed Remains in a National Cemetery or a VA-funded State or Tribal Veterans' Cemetery

AGENCY: Department of Veterans Affairs.

ACTION: Notice.

SUMMARY: The Department of Veterans Affairs (VA) is updating the monetary reimbursement rates for caskets and urns purchased for the interment in a VA national cemetery or a VA-funded state or tribal veterans' cemetery of Veterans who die with no known next of kin and where there are insufficient resources for furnishing a burial container. The purpose of this notice is to notify interested parties of the rates that will apply to reimbursement claims that occur during calendar year (CY) 2020.

FOR FURTHER INFORMATION CONTACT: Jerry Sowders, National Cemetery Administration, Department of Veterans Affairs, 4850 Lemay Ferry Road, Saint Louis, MO, 63129. Telephone: (314) 461-6216 (this is not a toll-free number).

SUPPLEMENTARY INFORMATION: Section 2306(f) of title 38, United States Code, authorizes VA National Cemetery Administration (NCA) to furnish a casket or urn for interment in a VA national cemetery or a VA-funded state or tribal veterans' cemetery of the unclaimed remains of Veterans for whom VA cannot identify a next of kin and determines that sufficient financial resources for the furnishing of a casket or urn for

burial are not available. VA implemented regulations to administer this authority as a reimbursement benefit in section 38.628 of title 38, Code of Federal Regulations.

Reimbursement for a claim received in any CY will not exceed the average cost of a 20-gauge metal casket or a durable plastic urn during the fiscal year (FY) preceding the CY of the claim. Average costs are determined by market analysis for 20-gauge metal caskets, designed to contain human remains, with a gasketed seal, and external rails or handles. The same analysis is completed for durable plastic urns, designed to contain human remains, which include a secure closure to contain the cremated remains.

Using this method of computation, in FY 2019, the average costs for caskets were determined to be \$1,903 for caskets and \$149 for urns. Accordingly, the maximum reimbursement rates payable for qualifying interments occurring during CY 2020 are \$1,903 for caskets and \$149 for urns.
